"It's easier to go up a gradual slope, than to try and scale a cliff!"

This allows your business to grow with consistency and strength no matter where you are today!

This doesn't even take into account additional sales from building 100+ new Miracle set clients and the reorders that will generate, plus Christmas, Hanukkah, Valentine's Day, Mother's Day, Wedding Anniversaries & Birthdays, Father's Day, Graduations and other Holidays, wholesale order product bonuses, and PCP Gift with Purchase credits!

I hope that you will take this to heart!

Set your goals high and keep this as a tracking sheet in your date book or Dream Notebook. Chart yourself each week, make a larger goal poster by enlarging this one and placing it on your office door. Fill in the numbers each week and make it a game to do a little extra each week! Get pictures of your prize goals and cut them out to tape to your date book, computer, bathroom mirror, refrigerator, the back side of the door through which you leave your house, car steering wheel, rearview mirror, car visor, anywhere you will see them daily!

***YOU CAN DO THIS!! I KNOW YOU CAN and IT IS SO WORTH IT!!!
You ARE an ALL-STAR!!***
